Gorbachev privatization: original path to capitalizm

S.Kozhanova

In the twentieth century, our country has survived two ownership transformations: the nationalization in 1917 and privatization in the 90's. The second transformation was initiated by Mikhail Gorbachev, «de jure» in response to the crisis. USSR Law on State Enterprise (Association) in 1987 laid the institutional framework of privatization of «de facto». Reforming the economy by Gorbachev led to the statistical information chaos that intensified during the dual power in Russia In 1990–1991. At this time, public record of property redistribution was blocked, which provided an uncontrolled process of privatization.

Key words: Perestroika, privatization, nationalization, property, corruption, statistical chaos, household income, economic crisis, political crisis, deficit.
